ISTQB Certified Tester – Foundation Level (CTFL)

PROFESSIONAL SUMMARY

Results-driven QA Engineer with 3+ years of experience testing web and Android mobile applications in an Agile/Scrum environment. ISTQB Certified with strong expertise in manual testing, test case design and execution, SQL-based data verification, and end-to-end defect lifecycle management via JIRA. Experienced in testing e-commerce platforms with a keen eye for detail and a track record of catching critical defects before release.

SKILLS

Testing Types: Manual Testing, Functional, Regression, Smoke, Sanity, Retesting, Ad-hoc, Exploratory, Cross-browser, Mobile Testing (Android)

Tools: JIRA (Defect Tracking & Sprint Management), Postman (API Testing), Excel, Google Sheets, Snipping Tool

Database: SQL — Backend Data Validation, Data Integrity Verification

Methodologies: Agile Scrum, STLC, SDLC, Bug Life Cycle, RTM Management, Test Case Design & Execution

Automation: Selenium with Java (Basic), TestNG (Basic)

Other: HTML, CSS, Core Java, Windows, macOS

PROFESSIONAL EXPERIENCE

Sparkviz Technologies Pvt Ltd, Bengaluru — QA Engineer Oct 2022 – Present

Domain: E-commerce (Web + Android Mobile Application)

- Designed and executed 400+ test cases covering functional, smoke, sanity, regression, and retesting cycles across web and Android mobile platforms.
- Performed cross-browser compatibility testing across Chrome, Firefox, Safari, and Edge to ensure consistent UI/UX across environments.
- Executed end-to-end manual testing of Android e-commerce application across multiple devices, validating UI consistency across different screen sizes and OS versions.
- Used SQL queries to validate backend data integrity and verify data consistency for orders, users, and transactions against UI.
- Performed basic API testing using Postman to validate responses and status codes during functional test cycles.
- Logged and tracked 200+ defects in JIRA with severity/priority tagging, detailed reproduction steps, and screenshot evidence.
- Maintained test documentation including test plans, test scenarios, test execution reports, and RTM for each sprint.
- Participated in Agile Scrum ceremonies sprint planning, daily stand-ups, and retrospectives contributing to on-time delivery across multiple release cycles.

CERTIFICATION

ISTQB Certified Tester – Foundation Level (CTFL) Issued 2026

Issued by: International Software Testing Qualifications Board (ISTQB)

EDUCATION

Bachelor of Technology (B.Tech) 2018 – 2021

Dr. Babasaheb Ambedkar Technological University | CGPA: 8.05 / 10
