PROFESSIONAL SUMMARY

Results-driven QA Engineer with 3+ years of experience comprehensively testing both web and Android mobile applications in an Agile/Scrum environment. ISTQB Certified with strong expertise in manual testing, test case design using Google Sheets, SQL-based data verification, and end-to-end defect life-cycle management via JIRA. Proven track record of thoroughly testing e-commerce back-end admin panels and validating complex workflows across multiple user roles. Proactively leverages AI tools (ChatGPT, Gemini, Claude) to optimize test case creation, identify edge cases, and refine bug reports for accelerated developer resolution.

CORE COMPETENCIES & SKILLS

- **Testing Types:** Manual Testing, Functional, Regression, Smoke, Sanity, Retesting, Ad-hoc, Exploratory, Cross-browser, Mobile Testing (Android)
- **API & Network Testing:** Postman, Browser DevTools (Network Tab), HTTP Methods (GET, POST, PUT, DELETE), Status Code Validation, UI vs. Backend Traffic Comparison
- **Methodologies:** Agile Scrum, STLC, SDLC, Bug Life Cycle, RTM Management, Test Case Design & Execution
- **Tools & Platforms:** JIRA (Defect Tracking & Sprint Management), Google Sheets (Test Case Management), Postman, Excel, Snipping Tool
- **AI & Productivity:** ChatGPT, Gemini, Claude (Test Case Generation, Edge Case Identification, Requirement Analysis Support, Bug Report Refinement, Exploratory Testing Support, Test Data Generation)
- **Database:** SQL — Back-end Data Validation, Data Integrity Verification
- **Automation & Tech:** Playwright with JavaScript/TypeScript (Basic), HTML, CSS, Core Java, Windows, macOS

PROFESSIONAL EXPERIENCE

Sparkviz Technologies Pvt Ltd — Bengaluru, India

QA Engineer | Oct 2022 – Present | Domain: E-commerce (Web + Android Mobile Application)

- **Test Case Design & Execution:** Designed, executed, and maintained 400+ manual test cases using Google Sheets, covering functional, smoke, sanity, regression, and retesting cycles across web, Android, and back-end admin platforms.
- **Role-Based & Admin Panel Testing:** Thoroughly tested complex back-end admin panels and validated end-to-end workflows for 4 distinct user roles. Ensured proper role-based access controls, data segregation, and accurate processing of user actions.
- **API & Network Testing:** Performed comprehensive API and network-level testing using Browser DevTools (Network tab) and Postman; compared front-end UI behavior with back-end network traffic to identify discrepancies.
- **API Validation:** Validated HTTP methods (GET, POST, PUT, DELETE) and status codes (200, 400, 404, 500) to ensure proper data flow, error handling, and API integration during functional test cycles.
- **Database Validation:** Used SQL queries to validate back-end data integrity, verifying data consistency for orders, users, and transactions between the database and the front-end UI.
- **Defect Management:** Logged, tracked, and managed 200+ defects in JIRA with precise severity/priority tagging, detailed reproduction steps, and screenshot evidence to ensure swift developer resolution.
- **AI-Assisted Testing:** Leveraged AI tools (ChatGPT, Gemini, Claude) for test case generation, identifying edge cases, generating test data, and refining bug reports to accelerate developer debugging and resolution times.
- **Cross-Platform Testing:** Performed cross-browser compatibility testing across Chrome, Firefox, Safari, and Edge. Executed end-to-end mobile testing across multiple Android devices, validating UI consistency across various screen sizes and OS versions.
- **Documentation & Agile:** Maintained comprehensive test documentation including test plans, test scenarios, execution reports, and RTM. Participated actively in Agile Scrum ceremonies (sprint planning, daily stand-ups, retrospectives) to ensure on-time delivery across release cycles.

CERTIFICATIONS

ISTQB Certified Tester – Foundation Level (CTFL) | Issued: February 2026
Issued by: International Software Testing Qualifications Board (ISTQB)

EDUCATION

Bachelor of Technology (B.Tech) | 2018 – 2021
Dr. Babasaheb Ambedkar Technological University | CGPA: 8.05 / 10
